What's New for 2025

We are so excited to be introducing many great New Varieties for 2025, many of which can be found throughout the Summer Showcase displays. Use this guide as a 'Quick Reference' as to where they are located during your visit today. Don't forget to visit the New Varieties Theatre display in the Polyhouse for some of the key highlights!

Look out for all the new annual varieties in the 2025 Spring & Summer Plant Catalogue due out end August. Most new perennial and shrub varieties can be found in your 2025 Lasting Beauty® Catalogue, released in June.
